

CABRINI MedXpress, LLC

CAPABILITIES STATEMENT

Certified Medical Courier & Last-Mile Logistics | “Care in Every Mile.”

COMPANY OVERVIEW

Cabrini MedXpress, LLC is a locally owned and operated medical courier and last-mile logistics company based in Bethlehem, Pennsylvania. We provide certified, time-critical delivery services exclusively to the healthcare industry, including specimen transport, pharmacy delivery, medical records courier, blood product transport, and medical supply logistics. Our operation is purpose-built around the urgency, confidentiality, and regulatory requirements unique to healthcare, and we operate 24/7, 365 days a year, including holidays.

CORE COMPETENCIES

- STAT / emergency medical delivery
- Clinical specimen & lab transport — validated cold-chain packaging
- Blood product transport
- Pharmacy & prescription delivery
- Confidential medical records courier
- Medical supply & equipment logistics
- Scheduled inter-facility routes
- On-demand & last-mile dispatch

KEY DIFFERENTIATORS

- HIPAA-compliant staff & handling protocols
- OSHA-compliant drivers
- Bloodborne Pathogens certified (29 CFR 1910.1030)
- Insured — General Liability & Commercial Auto coverage
- 100% accuracy commitment on every delivery
- Open 24/7 — 365 days a year, holidays included
- Uniformed, professional courier staff
- Chain-of-custody documentation on all transports
- Locally owned, Lehigh Valley based

CERTIFICATIONS & COMPLIANCE

All Cabrini MedXpress personnel are trained prior to handling any healthcare deliveries and complete annual recertification. Our compliance program includes:

- HIPAA Privacy & Security Rule compliance (45 CFR Part 164) — staff trained in Protected Health Information (PHI) handling under the Minimum Necessary Standard
- OSHA compliance for safe handling, packaging, and transport of medical materials
- Bloodborne Pathogens certification (29 CFR 1910.1030)
- Breach Notification Rule compliance (45 CFR §§ 164.400–414)
- General Liability and Commercial Auto insurance maintained; Certificate of Insurance (COI) available upon request

WHY CABRINI MEDXPRESS

- Purpose-built exclusively for healthcare logistics — not a general courier offering medical delivery as an afterthought
- Rigorous staff training in chain-of-custody, PHI handling, and safe transport of biological and pharmaceutical materials
- Proven STAT / time-critical response for emergency specimen and blood product delivery
- Reliable, scheduled route service for daily lab, pharmacy, and inter-facility logistics
